

“When someone does something that is better than anyone else in the world can do, yet that person is alive and in all other outward respects looks like you and me, but has this capacity to do things that you know are virtually superhuman because your humanity can’t do them, and who picks you up out of yourself because he can do it, that person is treated with a kind of awe.”

A. Bartlett Giamatti

NYCUSBC Hall of Fame

(Includes NYBA and NYCWBA)

Established to perpetuate the names of bowlers who are, or have been, in competition in this jurisdiction, and who have made significant and outstanding contributions to the Sport of Bowling
